Dear Mr. Stringer:

**2014 Annual Reclamation Status Report –Discussion Session Meeting -  
Closure and Reclamation, Con Mine, NT**

The Mackenzie Valley Land and Water Board (MVLWB) staff have reviewed the 2014 Annual Reclamation Status Report (RSR) and determined that in order to aid in the review of the RSR that a Discussion Session Meeting will be held at **9:00 am on Tuesday May 5, 2015 at the MVLWB office**. The purpose of the meeting is to allow MNML to present their RSR and associated RECLAIM estimate to staff and reviewers and to answer any questions reviewers may have. Following the meeting reviewers will submit any remaining questions or recommendations to the MVLWB using the Online Review System (ORS). Following reviewer comments the proponent will have the opportunity to respond.

Board staff have contacted MNML staff to confirm availability for a May 5, 2015 meeting. However, if MNML staff are unable to attend please inform the MVLWB and provide an alternate date.

If you have any questions or concerns regarding the meeting please feel free to contact me at (867) 766-7466 or via email at [mcasas@mvlwb.com](mailto:mcasas@mvlwb.com).

Sincerely,

A handwritten signature in black ink, appearing to read "Marc Casas".
